AND ALL RELATED DOCUMENTS, LEVEL II**

The United States of America respectfully moves this Court to seal this entire matter including this search warrant application, supporting affidavit, search warrant, this motion, any ruling on this motion, and all related paperwork and corresponding docket entries in the above captioned case until January 22, 2025, except that the government may later disclose these materials to comply with its discovery obligations under the local rules. In support of this motion, the government states that the public disclosure of any of these materials at this juncture could jeopardize the government's ongoing investigation into a drug trafficking organization by causing targets to flee or change patterns of behavior, as well as destroy evidence or tamper with or intimidate witnesses.

Respectfully submitted,
